# EXPO

## OUR MISSION

The Expo is a vehicle for improved relationship building, public awareness and resourcing to help create thriving Communities. The mission behind the Expo is not only to help boost personal and economic growth, but to reinforce a win-win-win philosophy of shaping our future leaders while empowering the existing.

Partnering with local School Districts in planning and implementing the Expo provides required community/intern hours, career development, real-world readiness and networking opportunities for career-seeking students.

With support of and partnering with local Chambers of Commerce, County Organizations, including local schools and students, and embracing ALL that comprise community, the Expo creates a total community connection event. With recognition of the successful Expo, and all of the cultivating benefits it provides, Community Connection and Business Expo has proudly expanded to additional School Districts. We invite you to remain part of the growth. Stay connected to our VENDORS, SPONSORS, SUPPORTER AND STUDENTS on:

# A Sincere THANK YOU!

We greatly appreciate those who give back...

Our **SPONSORS** make the CC&B Expo's possible! We sincerely THANK YOU for your care and contributions to your Community.

We Thank the **Monroe Woodbury School District Administration and Amazing Staff** for providing this platform for our LOCAL AWARENESS. Your support and team work is appreciated by many.

## Collaboration

We are happy **YOU** have shared the Expo experience with us, either as a Vendor, Sponsor, Supporter, attendee or efforts to help spread the word. Being engaged is key to a vital community. We welcomed first time comers as well as our Expo pros. We work together to make this magic happen and are excited for opportunities like this to continue to grow with you.

We are thankful to our **SUPPORTERS** - those we call **FRIENDS**- that believe in us, mentor us and whom are, themselves, an excellent example of leadership. They have genuine care, provide hard-work, dedication and are community driven.

We are proud to have shared philosophy.
